Welcome to this delightful home where Southern charm meets modern-day practicality. Step inside and experience the perfect blend of relaxation and entertainment. This unique 5-bedroom, 3-bathroom floor plan offers plenty of space and customization options to fit your family's needs.

On the first floor, you'll find a luxurious primary suite with not one, but two walk-in closets and a spa-like bathroom. Create your dream kitchen and add an inviting island, perfect for entertaining guests. And don't forget the covered rear porch, where you can kick back with family and friends, savoring a glass of sweet tea.

Head upstairs to discover three more bedrooms, each with its own spacious walk-in closet. Plus, there's a versatile bonus room that can be your office, craft room, or the ultimate game-watching sanctuary!

Imagine waking up in the Chapel Hill home and stepping onto the front porch to catch the
