1 Exterior Styles Available

 1,568+ Sq. Ft.

 3 Bedrooms

 2 Bathrooms

 2 Car Garage

The Hidden Hills offers 1,568 square feet of heated living space, featuring 3 bedrooms and 2 bathrooms. Its open-concept design connects the family room, kitchen, and dining areas, creating a cozy and welcoming environment for family living or entertaining guests. Cathedral ceilings enhance the spacious feel, while the thoughtful layout ensures practicality and comfort.

This design includes optional garage configurations and a charming 836-square-foot front porch, perfect for enjoying peaceful mornings or hosting outdoor gatherings. With its blend of modern functionality and timeless charm, the Hidden Hills is the perfect place to call home.
