 **3 Bedrooms**

 **2 Bathrooms**

The Aspen is a cozy, one-story plan with an open layout that is bright and welcoming and invites you to easily flow from one space into the next. This plan offers 3 bedrooms and 2 full baths with a spacious great room that opens up to the eat-in kitchen. Personalize this plan to turn this kitchen into your own luxury kitchen perfect for entertaining. You can even add a garage, or a covered porch to wake up and watch the sunrise with a cup of joe. With endless opportunities, you can turn this versatile plan into your own dream home.
