Imagine yourself relaxing in this beautiful plan perfectly crafted for those who love to entertain. The open layout is warm and welcoming providing the home with an easy flow from one space into the next. The New Bern offers one story with 3 bedrooms and 2 bathrooms. The primary suite with a stunning bathroom and walk-in closet is the perfect retreat for unwinding at the end of the day. Gather your family and loved ones around the optional kitchen island, or in the great room that opens up to the dining room and kitchen. The openness of this plan provides the space for seamless conversation from room to room. Choose to add a covered porch to enjoy evenings unwinding with family, or to watch the sunrise. The New Bern is the perfect plan to customize and create your own dream home. If home is where the heart is, then you have finally arrived.
